He's Just Not That Into You

In anticipation of the film release in February next year (starring Jennifer Aniston, Jennifer Connelly, Drew Barrymore, Ben Affleck, Scarlett Johansson, to name a few) read the book it's based on. Made famous by Berger's famous tell-it-like-it-is dating advice to Miranda on Sex and the City. The Cricketers

Nick-named the 'Hole In The Wall', this out of the way pub is located in one of Port Melbourne's residential streets. It's worth finding. A quaint public bar in the front, a fine dining, modern restaurant and a lovely sun filled beer garden at the back.

Have your function here, a light meal or just a beer. It's cosy by the fireplace in winter & atmospheric in summer.
